Conduct on the race course:

- You must drive carefully and slowly in the paddock and the pit lane. On the race track all drivers must behave considerately and fallible drivers will be disqualified from training without compensation.
- **Drivers with yellow safety jackets do not have much experience on the race track, and all drivers should behave considerately towards them**.
- Children must be supervised at all times.

Driver preparation:

- **Safe clothing (Leather), tested helmet, back protection**
- Signed liability disclaimer (on location)
- Flag signals and basic code of conduct for the race track must be known, otherwise participation in our beginners theory class is obligatory.
- We recommend, that you take out an insurance for cancellation costs and travel assitance. Check as well your personal insurance situation regarding damage to property or person.

Vehicle preparation:

- Taped over or dismantled back mirrors, lights and indicators
- Number plates must be dismantled
- Reliable motorbike, secured oil drain plug, no frost protection

- **Tire service:** Our partner, Johannes Grosse from 55moto.de, offers you this year his tire and technical service. Good prices and competent advice characterize our tire service. We recommend every rider to use this service. For reservations or orders of tires (all brands) contact Johannes Grosse until 17.01.2027, info@55moto.de or +49 7121 766 230.

- **Pits:** Can be booked on location. **Individual places can now also be booked in a collective pit.**

- **Petrol station:** The petrol station on the race track is closed. The next petrol station is outside the racetrack towards the city of Jerez.

- **Meals and drinks:** We will have a selection of snacks as well as hot and cold drinks available for sale in our box. As usual there will be free coffee in the race box again in 2027 and a large barbeque available for all participants.

- **Racing boutique**: We offer selected accessories in our racing boutique.

For more information call us on tel. +41 (0)33 439 59 59 or e-mail at racing@moto-center.ch.

We wish you a great time and safe riding
