The driving times are subject to change

- **Conduct on the race course:**

- You must drive carefully and slowly in the paddock and the pit lane. On the race track all drivers must behave considerably and fallible drivers will be disqualified from training without compensation.
- Drivers with yellow safety jackets do not have much experience on the race track, and all drivers should behave considerably towards them.
- Children must be supervised at all times.
- Vehicles which are not intended for road traffic (e.g. pocket bikes) may not operate on the generally accessible area.

- **Driver preparation:**

- Safe clothing (Leather, two piece suits with connection zip only), tested helmet, back protection (will be checked)
- Signed liability disclaimer (on location)
- Flag signals and basic code of conduct for the race track must be known, otherwise participation in our beginners theory class is obligatory.
- We recommend "Rega" membership or an equivalent insurance. Depending on the personal situation we recommend checking that insurance covers damage to property or person.

- **Vehicle preparation:**

- The motorbike may show a noise level of max.100 dB, adherence will be checked! The participation fee will not be reimbursed if the limit is not adhered to.
- Taped over or dismantled back mirrors, lights and indicators
- Number plates must be dismantled
- Reliable motorbike, secured oil drain plug, no frost protection
- The motorcycle may only be parked on an oil-resistant pad on the entire premises of the race track.

- **Driving times for slow drivers:** These 15 minutes are reserved for slow drivers , who dare to take a test drive and are not taking part in the normal training . Please sign on in our office.

- **Tyre service:** Our partner, **Sieber Motos** is offering a tyre service again this year. Good prices and competent consulting make our tyre service stand out from the rest. We recommend that every driver uses this service. **Should you need special tyres (brand or size), please get in touch with Sieber Motos, sieber_r@gmx.ch.**

- **Pits:** <https://www.circuit-dijon-prenois.com/boutique/location-de-box/>

Until 19.00 the key can be picked up at the office of the race track, outside the opening hours at the night guard at the entrance. Without a reservation, **no boxes** are available outside the office opening hours.

- **Petrol station:** In the paddock

- **Race box:** As usual there will be free coffee in the race box again and a large barbeque for all participants.
